Sir:

Pursuant to Applicants' duty of disclosure under 37 C.F.R. § 1.56, enclosed is a list of twenty (20) references for the Examiner's review and consideration. The reference is listed on the enclosed Form PTO-1449 entitled "List of References Cited by Applicant." Copies of these references are not enclosed as they were provided in connection with the co-pending application no. 09/039,260, filed March 16, 1998, which is a parent of this application.

Identification of the foregoing reference is not to be construed as an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since that form identifies all of the references cited therein as "Prior Art." As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited."

Applicants respectfully request that the Examiner review the reference and make it of record by completing and returning the enclosed List of References.
